EDUCATION

BCA – Bachelor of Computer Applications
Maharshi Dayanand Saraswati University | 2018 – 2021
- **Relevant coursework**: Web Development and Database Management
- **Achievement:** 1st Division (71.04%)

PROJECTS

SE- TPRM *(Third-Party Risk Management for Banks)*

- Developed a comprehensive banking-focused solution for third-party governance, risk and compliance management.
- Enabled financial institutions to monitor vendor compliance and mitigate risks associated with third-party vendors.
- **Multilingual software support:** Implemented custom language (Arabic, English and French) functionality to support multiple languages, improving accessibility for global users.
- **Enhanced Productivity:** Created an .exe installer using Inno Scripting for seamless product deployment and automatic execution, reducing setup time by 40%.

SE-Product Subscription *(For TPRM - Third-Party Risk Management)*

- Developed a subscription management system to handle product subscriptions for third-party risk management platforms.

- Implemented features like automated billing, subscription renewal reminders, and user access control, streamlining subscription processes and improving customer retention by 25%.

SE-Testing Desktop Tool *(Email, AD, DB, Secure AD and Secure DB)*

- Developed a robust desktop application using Nodejs With ElectronJS to testing for Email, Active Directory (AD), Database (DB), Secure AD, and Secure DB functionalities.
- Integrated advanced security features and streamlined testing processes, reducing manual effort by 50% and improving testing accuracy.

SE-Time Line Trac *(Task Follow Up)*

- Designed and developed a task follow-up tool for managers that reads data from **Excel** and displays it in an interactive, user-friendly UI with **Dynamic Graphs and Timelines**.

- Enabled real-time tracking of tasks, improved project visibility, and enhanced decision-making by providing clear, visual insights into task progress and deadlines.

Aspire Edu-Soft Pvt. Ltd. *(Notable Projects)*

Project Name	Key Highlights
EESSUS	Corporate website. (Angular/NodeJS)
Aspire Techno Solutions	Corporate website. (Angular/NodeJS)
Aspire Edu Soft	Educational platform. (Angular/NodeJS)
Hunkydory Restro	Restaurant website with interactive menu.
Sena Safari Camp	Safari booking platform. (Angular/NodeJS)
ZX Paints	Company website with paint details. (Angular/NodeJS)
ZX Paints Dashboard	Color management dashboard. (Laravel)
Jaipur Furniture	Furniture e-commerce with CMS. (Angular/NodeJS)
All in one Hotel Budy	Customers Social links manage. (Angular/Laravel)
Feedback System	Feedback system. (Angular/NodeJS)

Certifications

- **Ingenious Innovator** – SecurEyes Techno Services Pvt. Ltd.

Hobbies & Interests

- Enjoy learning about the latest trends in JavaScript and web technologies. I also share my knowledge by posting and engaging with tech blogs on LinkedIn.
- Cooking, hiking, photography, and playing cricket.
